## Sydney Cleantech Network

You are invited to attend the  
Sydney Cleantech Network on  
**Wednesday 8<sup>th</sup> September 2010**

5:30 until 7:00pm

at the offices of **KPMG** at  
**Level 15, 10 Shelley Street**

(entry also via 7 Sussex St)

Including:

- a presentation from **John Connor, CEO of the Climate Institute** on 'How Politics and the Election Result will Impact the Future of Cleantech in Australia'.
- **2 minute pitches** from growth companies looking for investors, partners or just wanting to announce company developments. Please register in advance if you want to pitch.

There is no charge for attendance but bookings are essential. Please RSVP by COB on Monday 6 September at [scn@auscleantech.com.au](mailto:scn@auscleantech.com.au)

### Who should attend?

The cleantech sector comprises industries with both environmental and economic benefits. Sub-sectors include renewable energy (wind, solar, wave, tidal, hydro and geothermal), water, waste and recycling, energy efficiency, green buildings, biomaterials, energy storage and fuel cells, environmental service providers and carbon traders. The Sydney Cleantech Network aims to provide education, forge links and facilitate collaboration between the cleantech sector, the finance industry, academia and government services.

### Interested in Pitching?

There will be a limited number companies invited to pitch at each event. If you are interested in pitching, please email [pitching@auscleantech.com.au](mailto:pitching@auscleantech.com.au) for more information.
