5:30 until 7:00pm

at

the offices of **Thomson Playford Cutlers**
at Level 7, 19 Gouger Street, Adelaide

Including:

- a short presentation on 'What Angel Investors are looking for in Cleantech Companies' by **Michael Dilettoso**, Chairman, SA Angels.
- 2 minute pitches from growth companies looking for investors, partners or just wanting to announce company developments.

There is no charge for attendance but bookings are required. Please RSVP by COB on Monday 2 August to rsvp@auscleantech.com.au

Companies that are investor ready and actively seeking investment are invited to undertake a two minute pitch. Please email pitching@auscleantech.com.au for more information

Who should attend?

The cleantech sector comprises industries with both environmental and economic benefits. Sub-sectors include renewable energy (wind, solar, wave, tidal, hydro and geothermal), water, waste and recycling, energy efficiency, green buildings, biomaterials, energy storage and fuel cells, environmental service providers and carbon traders. The Adelaide Cleantech Network aims to provide education, forge links and facilitate collaboration between the cleantech sector, the finance industry, academia and government services.
