Sydney Cleantech Network

You are invited to attend the Sydney Cleantech Network on Thursday 23rd February 2012

5:30 until 7:30pm

at the offices of the

SIM Venture Securities Exchange at Ground Floor, 5 Bridge Street, Sydney

Including:

- a presentation from Louise O'Halloran, Executive Director of the Responsible Investment Association of Australasia (www.responsibleinvestment.org) on *Linking Responsible Investment to Cleantech Growth*
- 2 minute pitches from growth companies looking for investors, partners or just wanting to announce company developments. Please register in advance if you want to pitch.

There is no charge for attendance but bookings are essential. Please RSVP by COB on Tuesday 21 February at scn@auscleantech.com.au

Who should attend?

The cleantech sector comprises industries with both environmental and economic benefits. Sub-sectors include renewable energy (wind, solar, wave, tidal, hydro and geothermal), water, waste and recycling, energy efficiency, green buildings, biomaterials, energy storage and fuel cells, environmental service providers and carbon traders. The Sydney Cleantech Network aims to provide education, forge links and facilitate collaboration between the cleantech sector, the finance industry, academia and government services.

Interested in Pitching?

There will be a limited number of companies invited to pitch at each event. If you are interested in pitching, please email pitching@auscleantech.com.au for more information.
